

We have moved all pupils from all year groups onto their next stage of learning. S1 become S2 etc. These new arrangements will go into place from Monday 27TH April. All years will follow an 18 period week. 4 subjects each day Monday to Friday and 2 classes every Friday. This is intended to provide some increased flexibility and choice around progression of learning at home during this difficult time, while also maintaining a structure to the 'school day'.
