Qualifications Scotland Results Information 2026

Dear pupil, parent, and carers,

We are proud of all our young people and their efforts to achieve all that they can throughout session 2025-2026.

As you will be aware pupils will receive their Qualifications Scotland (QS) Results on:

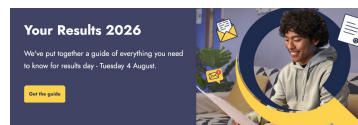

Tuesday 4th of August 2026

We hope that all our pupils are happy with their results when they receive them. However, we know that some pupils may be disappointed or overwhelmed by them.

Therefore, on Tuesday 4th of August, the SLT will be available between 10am and 1pm for any immediate support required. Please note, this is not to issue QS results but rather to support any unexpected results, including priority UCAS/College applications.

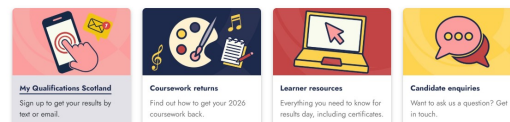

Further information and support, including how to sign up for results by text or email, and how to contact Skills Development Scotland, can be accessed using the links below:
